I feel a bond with Pooh. We have many similarities. ☺

All of the work that I do and the sacrifices I make are for my family. Hazel my wife, best friend and soul mate. David the best boy a dad could every wish for. And Kinnera, my little angel who brings brightness into my life.

Love

I owe my ability to overcome dyslexia to Brent Werner at Ford Country Day School. Brent has passed away. He turned my life around. God bless you Brent. Thank you for my future and passion for education.
